

CRICKLADE
MANOR PREP
SCHOOL & NURSERY

CANDIDATE PACK
DIRECTOR OF SPORT

Welcome from the Headmaster

Thank you for your interest in working at Cricklade Manor Prep.

As Headmaster, I am delighted to introduce you to Cricklade Manor Prep. With a broad and exciting curriculum, strength in the core subjects, countless extra-curricular opportunities, and excellent facilities, we are a supportive and welcoming community of children, staff and parents.

I believe that our outstanding team of teachers is CMP's greatest asset, chosen and developed to provide the best possible learning opportunities for our pupils. Each member of staff is highly experienced, and many have subject specialisms, so that even our youngest pupils learn from experts in their field. We believe that each child is an individual and give every child the support they need. This focus on each and every child extends into the Cricklade Personal Development sessions which are built into the school week. In these, pupils have the option to receive extra support where needed, to spend more time on topics they love, or to try out something entirely new.

The same individual attention is brought to the children's emotional and mental wellbeing. Happy children are better learners, so there is plenty of time for imaginative play, sport, art, drama, confidence building and friendships. Risk

taking and learning to fail form a key part of their education from an early age, ensuring that our older children take on challenges with a healthy combination of positivity and resilience.

The outcomes our children achieve speak for themselves. Every year, many children gain places at grammar schools and all children applying for independent senior school secure their first choice. We are incredibly proud of everything our children achieve academically, on the sports field and in the visual and performing arts.

CMP is a busy, vibrant school and expectations of staff and pupils is high. We are looking for dynamic and inspirational staff who want to be part of this happy and supportive school. A positive attitude, a willingness to take on new challenges and a track record of being an excellent team player are key personality traits that will enable professionals to thrive at our school.

I hope you are able to find all the information you need within this brochure and on our website. If you require further information please don't hesitate to get in touch.
